Andrea's Visit from God

(This is a true story of a CGA member.)

It was around midnight on a warm spring evening, the air was still and no breeze stirring. I lay in bed thinking about tomorrow - dreading tomorrow. Charles, my husband, lay beside me, sound asleep. I had just recently been diagnosed with colon cancer and was being admitted into the hospital for surgery on my colon. I was scared! Really frightened.

As I lay there in the quiet of the night with the windows open, just thinking and praying and wondering what the prognosis would be, I asked God not to take me. Not just yet. I asked God to give me a sign, to let me know that He was near and that He heard my prayers. Suddenly, in the very still night air, a breeze came through the window and brushed my cheek. I was startled, because I knew there was no wind stirring that night.

I said, "God, if that really was you, let me know; give me another sign! Almost immediately, a very soft, mild 'whoosh' brushed my cheek again. And, then it was gone. I got out of bed and went to the window. . .there was no breeze! No wind! Just the still, quiet of the night.

I went back to the bed and woke Charles and told him what had happened. He sat up looking very startled. After a moment he said, "It was a visit from God!"

Can CGA Have an Influence on the World?

I was thinking recently about CGA and the beginnings of the organization.

How we dedicated CGA to serving our Lord, by using the game of golf as a witnessing and evangelizing tool to reach others. How have we

done? If we were graded, what grade would we receive? Have we touched other lives and shared the gospel with

golfers with whom we have played?

We currently have members in 40 states in the U.S. We have chapters in Australia and the United Kingdom. A new chapter is currently being organized in the Northern part of England (**Note: Send an encouragement E-Mail to MARTIN EADY, the organizing Chairman . E-mail Address(es): Martin.Eady@rbos.com**). We also have contacts in South Africa, Kenya, Ireland, Finland, New Zealand, Sweden, Korea, Japan, India, Canada and Argentina, Brazil, Denmark, Spain and Mexico.

Can CGA have an influence on the world? Has CGA had an influence on the world? Have you had an influence on someone?

How does CGA affect your life, or does it? We would like to know! Send us a note or e-mail (christiangolf@ftc-i.net). If we select your comments to publish in the next newsletter, we'll send you a FREE CGA HAT! We receive calls frequently from members across the country who tell us that CGA has changed their life. Comments such as, "I

didn't used to pay attention to what the bible said, or to the preacher either. But CGA has changed all that." Lives have been changed by the fellowship of CGA golfers! Help change another life. Recently we received a letter from a missionary seeking ways CGA and his mission could partner in both Ireland and the Philippines to change lives!
